The staff consists at present of an Head Master and an Assistant Master who have both passed the Kannada Lower Secondary Examination and who are paid Rs 12/- and Rs 8/- respectively Including the house rent of Rs 3/8/- and the pay of Rs 3/- for the Conductress the monthly expenses amount to Rs 26/8/- which is met by fees and private subscriptions The School was inspected by the Deputy Inspector, Bangalore on 4/1/1912 and he says that the need of a primary School is real and urgent and that the present condition of the School is Satisfactory from an Educational point of view but precarious in its finances Seeing there is no Govt or aided School, the locality he is of opinion that a Govt Primary School with two teachers on Rs 12/- and Rs 10/- one Conductress on Rs 5/- and house rent of Rs 5/- should be established In case Govt are unable to sanction a Govt institution at present a monthly grant of Rs 20/- may be sanctioned in view of the fact that the School has been

22/-	Nil	Rs 20/-	R 6/-	The School has been working for the last 3 years It is located in a building with free ventilation & sufficient light The pupils are almost wholly sons and daughters of officials or workmen on the S M Railway and is popular in the locality in which it is situated The there are two masters, one is a trained matriculate and the other has passed no examinations These two manage all the classes The School is entirely maintained by fees alone Tamil and English are taught It was inspected by the Deputy Inspector of Schools on 7-2-1912 and he remarks that the School as a type of an Anglo-Vernacular School runs more or less on the lines of Indigenous Schools of the Country, although the staff is inadequate, there is no doubt that it meets a real want in the locality for the highly deserving class of people from whom the pupils are drawn On this account he recommend ~~that~~ a monthly Grant of Rs 10/- As a trial I recommend that a monthly Grant of Rs 6/- may be sanctioned.
